**PREVENTATIVE MEASURES FROM THE CDC**

The CDC recommends everyday preventative actions to help prevent the spread of respiratory illnesses such as COVID-19:

- Avoid close contact with people.
- Avoid touching your eyes, nose and mouth.
- Stay home when you are sick.
- Clean and disinfect frequently touched objects and surfaces using regular household cleaning spray or wipes.
- Wash your hands for a minimum of 20 seconds before eating and after blowing your nose, coughing and sneezing. If soap and water is not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol.
- Cover your mouth and nose with a cloth face cover when around others.

**CHOOSE LIFE – Pregnancy Hot Line (909) 398-4838**

Heavenly Father, we thank you for caring about each of us so deeply. Help us to see and know you as our Father in heaven each and every day of our lives. Your loving hand also rests on every child today carried in its mother's womb. May they be born into this world and come to know fully and personally your endless love. We ask this through Jesus Christ our Lord. Amen.

**COVID 19 UPDATES FROM THE CDC**

Older adults and people who have severe underlying medical conditions like heart or lung disease or diabetes seem to be at higher risk for developing more serious complications from COVID-19 illness.

*Symptoms:*

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness.

Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell

Children have similar symptoms to adults and generally have mild illness.

This list is not all inclusive. Other less common symptoms have been reported, including gastrointestinal symptoms like nausea, vomiting, or diarrhea.

*When to Seek Medical Attention:*

If you have any of these emergency warning signs\* for COVID-19 get medical attention immediately:

- Trouble breathing
- Persistent pain or pressure in the chest
- New confusion or inability to arouse
- Bluish lips or face

\*This list is not all inclusive. Please consult your medical provider for any other symptoms that are severe or concerning to you.

Call 911 if you have a medical emergency: Notify the operator that you have, or think you might have, COVID-19. If possible, put on a cloth face covering before medical help arrives.

**SIXTH SUNDAY OF EASTER**

**May 17<sup>th</sup>, 2020**

**Pope Encourages Devotion to Our Lady of Fatima**

During the General Audience, Pope Francis urges the faithful to pray to Our Lady, reminding us that 13 May is the feast of Our Lady of Fatima.

“Today we celebrate the liturgical memorial of Our Lady of Fatima,” said Pope Francis in his greetings to Polish-speaking listeners at the weekly General Audience. “We turn our thoughts to the apparitions and its message transmitted throughout the world,” he added.

Pope Francis recalled the attack on the life of Pope St. John Paul II. He pointed out that his predecessor experienced “the maternal intervention of the Holy Virgin” in sparing his life.

The Pope also said that Monday, 18 May, marks the 100th anniversary of JPPII’s birth. The Pope said he will celebrate his morning Mass on the altar over the Saint’s tomb in St. Peter’s Basilica. “Let us thank God for giving us this saintly Bishop of Rome,” he said, “and ask him to help us: that he might help this Church of Rome to convert and strive ahead.”

Pope Francis then went on to pray for peace in the world, the end of the coronavirus pandemic, and the spirit of penance and conversion for the world through the intercession of Our Lady.

The Pope invited the Italian-speaking faithful to have constant recourse to Our Lady’s help, so that everyone might persevere in the love of God and neighbor. He prayed especially for the young, the elderly, the sick and the newlyweds.

**Invitation to pray the Rosary**

In his greetings to the Portuguese-speaking faithful, Pope Francis urged Catholics to try to live out this month of May with a more intense and faithful daily prayer. He reminds us that the prayer of the Rosary is one of the desires repeatedly expressed by the Madonna at Fatima. “Under her protection, the pains and afflictions of life will be more bearable,” he said.

**Love of Neighbor**

Addressing the German-speaking faithful, Pope Francis reminded us that the many examples of the love of God for us are a “strong invitation to love all the people we meet,” especially in this time of social-distancing due to Covid-19. He prayed that the Holy Spirit might fill us with charity and joy.

**Our Lady of Fatima**

Between May and October 1917, Our Lady appeared several times to three Portuguese children – Francisco and Jacinta Marto, and their cousin, Lucia dos Santos, in a cove near Fatima, in Portugal. In those apparitions, Our Lady asked the children to pray the Rosary for the world and for the conversion of sinners.

**St. Pope John Paul II**

Pope St. John Paul II visited Fatima three times – in 1982, 1991 and 2000. During his 2000 visit, he beatified Jacinta and Francisco. The liturgical memorial of Our Lady of Fatima is celebrated on 13 May annually.

**SPIRITUAL LISTENER**

We know that this time of pandemic is very stressful and filled with worry for many of us. We turn to our faith in God in these moments and sometimes talking and praying with a brother or sister in faith is just what we need to ease our mind when we are struggling. The sharing of our faith and the accompaniment of one another on the journey is a core value of the Diocese. If you would like to talk, pray or otherwise faith share with a representative of our Local Church, please respond to the email address below and leave your contact information. May God bless you.

Please contact us at: [spirituallistener@sbdiocese.org](mailto:spirituallistener@sbdiocese.org).
